Explanation of Responses:

1. The transactions reported in this Form 4 were executed by the reporting person's investment advisor in a managed account as part of the investment advisor's implementation of a large-cap investment strategy involving the securities of multiple issuers. These transactions did not result in a short swing profit because the purchase prices were in each case greater than any of the matchable sale prices and, as a result, no disgorgement to the issuer is required of the reporting person.

2. Includes additional shares acquired through reinvestment of dividends, which are transactions exempt from reporting under SEC Rule 16a-11.
