Explanation of Responses:

1. The reporting person acquired these stock units under the Raytheon Technologies Corporation Deferred Stock Unit Plan (the "Plan") in connection with the reporting person's annual compensation for service as a non-employee director. The Plan provides for payment of a portion of or all of the annual compensation in deferred stock units. Upon retirement or termination, the deferred stock units in the director's account under the Plan are converted into an equal number of shares of common stock that, at the director's previous election, are distributed either in a lump-sum or in installments.

2. This amended Form 4 is being filed in order to reflect the impact of adjustments to the reporting person's stock ownership as a result of the merger of United Technologies Corporation and Raytheon Company and the related spin-offs of the Otis and Carrier businesses. The converted total number of securities owned following the spin-offs had not yet been determined as of the date of the original filing.

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB Number.
