Raytheon Technologies CEO and CFO to present at the BofA Securities 2020 Transportation and Industrials Conference

WALTHAM, Mass., (May 4, 2020) – Raytheon Technologies (NYSE: RTX) Chief Executive Officer Greg Hayes and Chief Financial Officer Toby O’Brien will speak at the Bank of America Securities 2020 Transportation and Industrials Conference on Tuesday, May 12 at 9:20 a.m. Eastern Time. The presentation will be broadcast live at www.rtx.com and will be archived on the website afterward.

About Raytheon Technologies

Raytheon Technologies Corporation is an aerospace and defense company that provides advanced systems and services for commercial, military and government customers worldwide. With 195,000 employees and four industry-leading businesses — Collins Aerospace Systems, Pratt & Whitney, Raytheon Intelligence & Space and Raytheon Missiles & Defense — the company delivers solutions that push the boundaries in avionics, cybersecurity, directed energy, electric propulsion, hypersonics, and quantum physics. The company, formed in 2020 through the combination of Raytheon Company and the United Technologies Corporation aerospace businesses, is headquartered in Waltham, Massachusetts.
